### — NOTE THE QUOTE —

- "The things that stand out with 'Sala' are he's huge, he's got explosive power and knocks guys down on down-blocks. He runs really well for a big man. When you watch him pull or get out on leads on the frontside plays, he can really cover ground. He plays with a great temperament. So, there's a lot to like about a big man who plays physical – our brand of football."

– Director of Player Personnel Joe Hortiz
